Blackbaud is glad to be involved in the GBC. The scorecard gives us ideas, helps us record what we have done and keeps us on track!! Even though the work is focused on our Charleston office, it really does connect to our environmental efforts in all our locations.

## The Green Business Challenge

A tool for businesses and institutions of the lowcountry to operate more sustainably and save money. It is free to participate.

Your business will get access to resources that will help you:

- Conserve energy and water
- Reduce waste
- Purchase locally and
- Create a healthier work place.

### How it Works

The Green Business Challenge's platform is an online scorecard that serves as a checklist for your workplace. You identify your accomplishments to date and your goals for the year.

## The GBC Year
